## Class Notes

On November 13<sup>th</sup> all school library books need to be returned. We are updating our library check out system and in order to switch systems, the school needs to have all school library books. Students will not be checking out books from the library until after Thanksgiving break. Thank you for your understanding and patience.

More information regarding the Kindergarten book report will be going home in your child's blue folder.

Thank you to all the parents who have provided snacks and treasures for our classroom, we really appreciate it. Our treasure box has gotten low again if you could send in more items for us that would be great. 😊

## Monthly Objectives

**English Language arts (ELA):** We will be reading books about fall, thanksgiving and fairy tales. Through these read alouds we will practice identifying point of view, compare and contrast story elements, and make predictions. Letters: Ee, Vv, Zz, Xx, Jj, Qu, Yy, Kk. Sight words: had, have, help, helps, here, away, do, was, ill, her, his + says.

**Math:** Students will count and represent quantities and collections fluently to 20. Students will identify patterns in numbers while counting to 50. Students will also use multiple models to develop number sense and represent numbers to 10 in flexible ways. Students will compare quantities and collections fluently to 20

**Science:** Students will explore ways that objects change and interact with other objects due to movement. Students will also observe, identify and explore patterns of change in nature.

**Social Studies:** Students will be introduced to good citizens in the community. Students will also use voting to make some decisions in the classroom. Students will also explore family customs and traditions.
